PETITIONER	§ § 8	COURT AT LAW NO1

PETITION TO TAKE DEPOSITIONS UNDER RULE 202

TO THE HONORABLE JUDGE OF SAID COURT:

COMES NOW Athige Denzil Desilva hereinafter Petitioner asking the Court for permission to take the oral depositions with *subpoena duces tecum* and deposition by written questions of the relevant City of Austin staff and employees to investigate potential actions that are civil in nature, as authorized by the Texas Rules of Civil Procedure 202, all causes of action arise out of the death of Mr. DeSilva's son Dr. Mauris DeSilva at the hands of Austin police officers:

T

INTRODUCTION

Petitioner is an individual who resides in Minnesota.

Petitioner seeks to depose the City of Austin personnel who possess or control the relevant evidence in a potential civil suit involving the shooting death of Dr. Mauris DeSilva.

The City of Austin will be served with this Petition as follows:

To Defendant City of Austin for service upon any of the following three persons:

- a. Jannette Goodall, City Clerk, at 301 W. 2nd Street, Austin, Texas 78701; 512.974.2210; jannette.goodall@austintexas.gov; or
- b. Art Alfaro, City Treasurer, 301 W. 2nd Street, Austin, Texas 78701; 512.974.7890; art.alfaro@austintexas.gov; or

1 RULE 202 PETITION c. Mayor Steve Adler, 301 W. 2nd Street, Austin, Texas 78701; 512.978.2200.

II.

RELEVANT FACTUAL BACKGROUND AND DESCRIPTION OF SUBJECT MATTER
OF REQUESTED DEPOSITION

On July 31st, 2019 Dr. Mauris DeSilva was shot to death by City of Austin Police Officers inside the Spring Condominiums, where he resided. A copy of Dr. DeSilva's death certificate is attached as Ex 1.

Petitioner believes that a case for violations of 42 U.S.C. §1983 may lie, as well as other relevant causes of action as the conduct of the peace officers in questions was inappropriate and the force used was excessive.

Plaintiff seeks deposition of City of Austin Police Officers Karl Krycia, Christopher Taylor, and Joseph Cast to explore their excessive use of force which led to the demise of Dr. Mauris DeSilva.

Petitioner also requests the production of documents and other materials, including all available video regarding the following topics, to wit:

911 recordings, all body camera recordings, all CAD reports, all calls for service, all accident/crash reports, all crime statistics, all dash camera recordings, all employments/personnel files, all evidence collected, all HALO videos, all incidents and the full reports, all mug shots, all policies and procedures, all SSPR/Job performance evaluations, all timesheets and payroll records, and all training records for the following officers: Karl Krycia, Christopher Taylor, and Joseph Cast for date of incident July 31, 2019.

Time of occurrence: 4:55PM

Location: 300 Bowie Street, Austin Texas 78703

Parties: Karl Krycia, Christopher Taylor, Joseph Cast, Dr. Mauris DeSilva

(Deceased)

III.

REQUEST TO DEPOSE

Based on information and belief it appears that City of Austin Police Officers Karl Krycia, Christopher Taylor, and Joseph Cast used excessive force against Dr. DeSilva that ultimately led to his demise on July 31, 2019 in that Dr. DeSilva died of multiple gunshots from the guns of the officers.

Petitioner seeks to depose City of Austin Police Officers Karl Krycia, Christopher Taylor, and Joseph Cast for date of incident July 31, 2019 to investigate potential actions civil in nature against one or both persons, including but not limited to claims under 42 U.S.C. § 1983.

IV.

REQUEST FOR PRODUCTION

Petitioner asks the Court to order the City of Austin to produce the following documents or tangible items:

- A. All 911 recordings
- B. All body camera recordings
- C. All CAD reports and all calls for service
- D. All accident/crash reports
- E. All crime statistics
- F. All dash camera recordings
- G. All employments/personnel files
- H. All evidence collected
- I. All HALO videos
- J. All incident reports
- K. All policies and procedures
- L. All SSPR/Job performance evaluations
- M. All timesheets and payroll records

All training records for the following officers: Karl Krycia, Christopher Taylor, N. and Joseph Cast for date of incident July 31, 2019.

Time of occurrence: 4:55PM

Location: 300 Bowie Street, Austin Texas 78703

Parties: Karl Krycia, Christopher Taylor, Joseph Cast

V.

NEED FOR DEPOSITIONS

The City of Austin has refused to voluntarily provide the requested items. See Response to Petitioner's Open Records Request, attached as Ex. 2. Petitioner believes that is because the excessive force used by the police officers in question will be obvious to all once all evidence is adduced.

The Petition Under Rule 202 should be granted, therefore, because the information sought cannot be obtained from any other source or through any other means. It is for this reason that Petitioner must use this procedural route. The specific criteria set forth by Rule 202 are fully met for the sought-after depositions.

For the reasons recounted, the likely benefits of allowing Petitioner to take the requested depositions significantly outweighs the burden or expense of the procedure. Equally important, allowing Petitioner to take the requested oral depositions may prevent a failure or delay of justice. Proof of excessive use of force against Dr. DeSilva could reveal the valid existence of civil claims and suits by Petitioner. The evidence could serve as the basis for initiating other proceedings civil in nature. See Gonzales v Rodriguez, 250 S.W. 2d 253, 255 (Tex. App - San Antonio 1952, no writ) (holding that the precursor to Rule 202 "is not to be applied only to 'civil suits' but is to be to be applied to in all 'actions of a civil nature', which would include all proceedings of a civil nature").

VI.

PRAYER FOR RELIEF

WHEREFORE, PREMISES CONSIDERED, Petitioner requests that the Court hold a hearing on this Petition after service of this Petition and notice, Pursuant to Tex. R. Civ. P. 202.3(a). After the hearing he asks the Court to order the depositions of Officers Karl Krycia, Christopher Taylor, and Joseph Cast along with the production of the documents and tangible items listed in the petition, at a specific time, place and date.

Respectfully submitted,

Re:

Open Records Request received from Ms. Michelle Raji on September 30, 2019. (R025028)

Dear Attorney General Paxton,

The Austin Police Department ("the department") received a request for information from Ms. Michelle Raji on September 30, 2019. Thus, today is the tenth business day since the department's receipt of Ms. Raji's request for purposes of timely filing a request for decision under section 552.301 of the Government Code. The department believes the responsive information is excepted from disclosure under section 552.108 of the Government Code. This letter is a request for a determination under section 552.301 of the Government Code that the requested information is so excepted. A copy of the request and representative samples of the information at issue pertaining to the requested incident are enclosed.

By copy of this letter the department is notifying the requestor that the department wishes to withhold the requested information and has asked for a decision from the Attorney General as to whether this information is within an exception to public disclosure.

¹ The department will be providing the requestor with link to access the department's policies and is referring the requestor to the City of Austin's Civil Service office to for the personnel files.

The requestor is seeking various records pertaining to an officer involved shooting that occurred on July 31, 2019. Section 552.108(a) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime." Generally, a governmental body claiming Section 552.108 must reasonably explain, if the information does not supply the explanation on its face, how and why the release of the requested information would interfere with law enforcement. See Gov't. Code §§ 552.108(a)(1), 552.108(b)(1), and 552.301(e)(1)(a); see also Ex parte Pruitt, 551 S.W.2d 706 (Tex. 1977).

The requested information pertains to ongoing criminal investigation. The supervisor of the detectives assigned to this investigation has advised the undersigned that release of the requested information would interfere with this ongoing investigation. Accordingly, it is the department's position that the release of information pertaining to this investigation would interfere with the detection, investigation, or prosecution of crime, and the department seeks to withhold the information represented by the enclosed records under Section 552.108(a)(1).

Please do not hesitate to contact me at (512) 974-2509 if you have any questions concerning this matter.

Re: Open Records Request from Ms. Michelle Raji received October 2, 2019. (R025118)

Dear Attorney General Paxton,

This is a follow up to my correspondence dated October 16, 2019. As noted in that letter, the Austin Police Department ("the department") received a request for information from Ms. Michelle Raji on October 2, 2019. The department believes the requested information is excepted from disclosure under section 552.101 of the Government Code. This letter is a request for a determination under section 552.301 of the Government Code that the requested information is so excepted.\(^1\) Representative samples of the records at issue are enclosed.\(^2\)

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 143.089(g)

As noted in my October 16th correspondence, the department submitted a request for ruling in response to another request from Ms. Raji on October 14, 2019. Because Ms. Raji seeks information related to the same officer involved shooting via these two requests, the department asks that your office issue one ruling that addresses both requests.

² The City of Austin's Office of Police Oversight does not maintain any information that is responsive to the request, and neither the City nor the department possess information from Travis County District Attorney's office.

of the Local Government Code. The City of Austin Police Department is a civil service organization covered by section 143 of the Local Government Code. Section 143.089 contemplates two different types of personnel files, a police officer's civil service file that the civil service director is required to maintain, and an internal file that the police department may maintain for its own use. Local Gov't Code § 143.089(a), (g)

In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). Abbott v. City of Corpus Christi, 109 S.W.3d 113, 122 (Tex. App.--Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are "from the employing department" when they are held by or in possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. Id. Such records are subject to release under the Act. See id. § 143,089(f); Open Records Decision No. 562 at 6 (1990).

However, a document relating to a police officer's alleged misconduct may not be placed in his civil service personnel file if there is insufficient evidence to sustain the charge of misconduct. Local Gov't Code § 143.089(b). Information that reasonably relates to a police officer's employment relationship with the police department and that is maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released. City of San Antonio v. San Antonio Express-News, 47 S.W.3d 556 (Tex. App.--San Antonio 2000, pet. denied); City of San Antonio v. Tex. Attorney General, 851 S.W.2d 946, 949 (Tex. App.--Austin 1993, writ denied).

The submitted information is maintained solely in the police department's internal files pursuant to section 143.089(g). Specifically, the information consists of the named officers' training histories and routine personnel records (labeled Exhibit A) and documentation related to an ongoing administrative investigation being conducted by the department's Internal Affairs Division concerning the officers' actions in the officer-involved shooting that is the subject of Ms. Raji's requests (labeled Exhibit B). Because the administrative investigation is ongoing, no disciplinary action has been taken by the Chief at this time. Accordingly, the department believes that all of the requested information is confidential pursuant to section 143.089(g) of the Local Government Code and must be withheld under section 552.101.

Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. See Local Gov't Code §§ 143.051-.055. A letter of reprimand does not constitute discipline under chapter 143.

Please do not hesitate to contact me at (512) 974-2509 if you have any questions concerning this matter.

Re: Open Records Request from Ms. Aspen Dunaway received October 23, 2019. (R026515). Your ID#803469

Dear Attorney General Paxton,

This correspondence is a supplement to my October 21, 2019 request for a decision concerning a public information request the Austin Police Department ("the department") received from Ms. Michelle Raji on October 2, 2019. Representative samples of the information at issue were forwarded to your office on that date, along with the department's arguments for withholding that information. Your office has assigned ID #803469 to that file.

Please find enclosed a copy of a new public information request the department received on October 23, 2019, from Ms. Aspen Dunaway for the records that are also at issue in ID #803469. This supplemental request for ruling is being submitted within the ten-business day deadline specified in section 552.301 for seeking a ruling from your office. The department asserts and fully incorporates the arguments it made under section 552.101 of the Government Code for withholding the officers'

¹ Please note that some of the information requested by Ms. Dunaway was the subject of a prior ruling issued by your office. In OR2019-30014, your office ruled that the criminal investigatory records related to the officer-involved shooting at issue are excepted from disclosure under section 552.108 of the Government Code. The criminal records requested by Ms. Dunaway that exist (no HALO videos or mug shots exist) are precisely the same records that were at issue in OR2019-30014. The law, facts, and circumstances on which ruling OR2019-30014 was based have not changed since the issuance of that ruling. As such, the department will continue to rely on OR2019-30014 for the criminal investigatory records.
